

Chalets d' Anse Forbans Environmental Policy Statement

Date: 5th September 2011

Revision No: 1

Chalets d'Anse Forbans

Purpose:

This document sets out the Environmental Policy of Chalets d' Anse Forbans. Chalets d' Anse Forbans is a family run self catering establishment located on the mainland Mahe in the Seychelles.

Policy Statement:

Chalets d' Anse Forbans have identified all the environmental aspects and impacts relating to its services and categorised those appropriately highlighting significant aspects and impacts in order to monitor them and undertake migration measures wherever possible.

Chalets d' Anse Forbans is committed to reducing the impact of our activities on the environment in which we operate and to reducing pollution.

Our policy is:

- Continually improve the environmental performance of our company by setting and reviewing management objectives, targets and support programmes.
- Maintain the awareness of all staff persons working on behalf of the organisation about the company's policy and its ongoing commitment to the environment and promote their understanding of how their activities have an impact on the wider environment.
- Caring for the environment and the prevention of pollution.
- Abiding by all relevant environmental legislation and applicable requirements.
- Minimising waste, promoting recycling, reducing energy and raw material consumption and reducing harmful emissions.
- Working with suppliers to promote positive environmental actions.

This policy was adopted on the 5th September 2011.

This policy shall be reviewed annually.
